

Planning And Consultation On Taxes

- Review of tax reports prior to their presentation to the Tax Authorities, checking the various taxes and their ramifications, including: Between and within corporation groups.
- Expertise in tax planning corporation clusters.
- Representation at discussions regarding the various taxes at the offices of Income Tax, VAT, National Insurance Institute and Israel Lands Authority.
- Fully representing the client's interests with the Authorities on issues such as: Income Tax, VAT and National Insurance.
- Ongoing consultation for clients – including a professional opinion.
- Ongoing assistance and consultation during purchase transactions, mergers and split ups.
- Assistance in obtaining Pre Ruling authorizations from the Tax Authority and National Insurance.
- Providing professional opinions on special taxes aspects (Income Tax, Capital Gains Tax, VAT and National Insurance) both on individual business deals and in discussions with the various Tax Authorities.
